Large Scale Sculptures by Hans Van de Bovenkamp

About The Artist

Hans Van de Bovenkamp is a contemporary abstract sculptor and an architectural designer. He has earned an international reputation over the past 55 years for designing, fabricating, installing and maintaining unique sculptures, fountains and gates in collaboration with architects and designers. His works can be seen in hundreds of public, civic, corporate and private collections.

ARTIST STATEMENT

"For me, making sculpture is both a spiritual and an artistic act. The studio is my playground, my laboratory, my sanctuary, where I practice and experiment with sculptural ideas. When I am working I am truly living in the present moment: focused and aware of choices as I make them, functioning in an elevated state between the conscious and the subconscious. Over time, I have been fortunate to gather together enough skill and vision to realize my ideas as they have come into my heart. Art for me, is not just a passion, it is a way of life."
